25th Deaf Golf Australia Championships

The DGA Executive committee worked with Golf Tasmania on the venue selection for our next nationals to be held in 2019. It is the no. #1 choice by Golf Tasmania based on DGA's venue selection guidelines which are :-

- 1) Close proximity to airport - only 15 mins
- 2) Accommodation on site or within reasonable walking distance
- 3) Championship golf course requirement

We all know that costs need to be reasonable to ensure the event can be made accessible to all our members Australia wide. There is every chance we will be able to secure external funding to keep the entry registration fees further down to the absolute minimum. The dates were carefully chosen so they do not clash with Easter, school terms and public holidays. DGA is therefore delighted to announce the venue :-

Prospect Vale Country Club, Launceston Tasmania
14 April through to 16 April 2019

We will be issuing entry forms in the very near future so please consult your State Rep for copies when they are released. **Mark the dates in your diary!**

WDGC 2022 Royal Pines Gold Coast

20 April update: The DGA committee traveled to Royal Pines resort for the meeting with WDGF representative, Gavin Balharrie, as part of the venue bid process. Stakeholders from Golf Australia, Queensland Golf, Royal Pines management staff and Deaf Sports Australia also took part in the process. We are pleased to report that the checklist process was completed and finally accepted by WDGF. Now we wait and hope they will decide in our favour ☺

Nominations Invited

The following DGA Executive positions will be open for (re-) election at the next General Meeting which will be held at Launceston next April :-

- President
- Secretary
- Treasurer

Anyone interested please email :-
